Headteacher Comment

Dear Parents and Carers,

As we reach the end of another busy and fulfilling week, I am delighted to share a few highlights from across the school.

First, a huge congratulations to our Year 5/6 netball team! On Tuesday, they competed in the local competition and brought home a fantastic victory. Their dedication, sportsmanship, and brilliant teamwork were on full display throughout the tournament. We are immensely proud of their hard work and well-deserved success.

Our Year 1 children attended Mass together. They represented the school beautifully, showing great reverence, outstanding behavior, and enthusiastic singing. It was a wonderful opportunity for our youngest pupils to deepen their connection with our parish community.

Meanwhile, our Year 5 pupils have been making great progress in their weekly swimming lessons. It is fantastic to see their confidence grow in the water each session, alongside their focus on developing essential life skills and technique.

We are also excited to announce our Coastal Prayer competition! Children are invited to submit a prayer, poem or artwork byt the 12th October. Please see attached flyer for more details.

Thank you, as always, for your continued support across all our school activities. I wish you and your families a restful and enjoyable weekend.

Warm regards,

Sarah Seeley

3:15-4:15pm - Sniper Fitness Club

Thursday 8th October

Year 5 Swimming

10am - Year 2 @ Mass

Friday 9th October

Safeguarding Spotlight

Looksmaxxing encourages people – particularly young men – to 'improve their appearance' through everything from grooming, skincare and exercise to far more questionable techniques. As this trend becomes increasingly visible on social media, our #WakeUpWednesday guide explores how appearance-focused content can affect boys' confidence, self-worth and body image, while exposing them to misleading or potentially dangerous advice.

The guide also examines how looksmaxxing content can become increasingly extreme, with links to obsessive behaviours, mental health difficulties and harmful online communities. It offers practical advice for parents and educators on spotting changes in behaviour, recognising looksmaxxing terminology, understanding what young people may be seeing online and opening supportive conversations about appearance, influencers and unrealistic expectations.
