Headteacher Comment

Dear Parents and Carers,

As we reach the end of another busy and fulfilling week, I am delighted to share a few highlights from across the school.

First, a huge well done to our Year 1 children for their fantastic assembly—they spoke and performed with such confidence! Year 6 also had a brilliant time exploring the STEM exhibition at Scarborough Spa, engaging brilliantly with hands-on science and engineering. Meanwhile, our Year 2 pupils represented the school beautifully and were exceptional during Mass this week. We are so proud of all our children's hard work and exemplary behavior.

Looking ahead to next week, we have two key events to keep in mind:

- Tuesday 13th October – Whole School Harvest Celebration: We kindly ask families to send in donations of non-perishable food items. All contributions will go directly to support the wonderful work of The Rainbow Centre here in Scarborough.
- Wednesday 14th October – Parents' Evening: We are very much looking forward to welcoming parents and carers into school to discuss your child's progress and achievements so far this term.

Thank you, as always, for your continued support and partnership. Wishing you all a restful and enjoyable weekend.

Warm regards,
Sarah Seeley

Safeguarding Spotlight

As the darker evenings draw in, we kindly ask all families to review road safety rules with their children. Please remind pupils to use pedestrian crossings where available, stop and look both ways before stepping off the curb, and avoid using mobile phones or headphones while crossing roads near the school gates. If your child walks or cycles to school independently, wearing reflective or bright clothing helps ensure they remain clearly visible to drivers during autumn mornings and afternoons. Thank you for helping us keep our school community safe!
