Headteacher Comment

Welcome back! It has been an absolute joy opening our doors again and seeing the school filled with bright smiles, eager energy, and wonderful conversations. The children have settled into their new routines remarkably well, and I am already so impressed by their positive attitudes and enthusiasm for learning. A particularly warm welcome goes to all our new families joining us this term, we are thrilled to have you as part of our school community.

Looking ahead, our extracurricular sports clubs will officially beginning next week. We are delighted to offer:

- Hawkes Football (EYFS – Year 6): Bookable directly through the Hawkes website.
- Sniper Fitness Club (Years 3 – 6): Bookable via ParentPay.

Spaces for both clubs are limited, so please make sure to secure your child's place as soon as possible through the respective platforms.

Thank you, as always, for your continued support in making the start of this academic year so successful. I hope you all have a restful weekend!

Sarah Seeley

Friday 18th September

Safeguarding Spotlight

Character.AI lets users create and chat with AI-powered characters that can behave like friends, mentors, fictional favourites, or romantic partners. While these conversations can feel engaging and supportive, their convincing human-like responses can blur important boundaries. Young people may encounter inappropriate content, misinformation and privacy risks, or begin forming an unhealthy emotional attachment to an AI companion.

For parents and educators, understanding these risks can make conversations about AI companionship more constructive. This #WakeUpWednesday guide explores warning signs such as secretive or excessive use and withdrawal from real-world activities, while offering practical advice on checking age restrictions, protecting personal information, questioning chatbot advice, and responding appropriately when safeguarding concerns arise.
