Dear Parents and Carers,

It has been another wonderful week across the school, filled with community spirit, hard work, and celebration.

First, a huge well done to all our brilliant runners who represented the school at the cross country competition on Tuesday. Your determination, teamwork, and sportsmanship made us all incredibly proud!

Thank you to everyone who joined us for our Year 5 Class Worship and to Year 6 for leading us so reverently at Mass. Both occasions were deeply meaningful opportunities for our school family to gather in faith.

Finally, a massive thank you to everyone who supported our Macmillan Coffee Morning. Thanks to your generous donations and delicious baked treats, we raised a fantastic £63.40 for a truly worthy cause.

Wishing you all a wonderful and restful weekend.

Warm regards,

Sarah Seeley

Safeguarding Spotlight

Discord is a hugely popular communication platform where young people can chat, play games and join communities built around shared interests. This #WakeUpWednesday guide explores some of the risks that can come with using it, including contact with strangers, inappropriate content, harassment and the potential for gaming and socialising to become a distraction from everyday life.

The guide also offers practical advice for parents and educators, from using Discord's Family Centre and checking privacy settings to talking openly about suspicious behaviour and reviewing spending controls. It also encourages families to agree on clear expectations around screen time, helping young people enjoy the platform while making safer and more informed choices online.
